RIDER'S RESPONSIBILITY CODE

Mammoth works hard to provide a great mountain biking experience, but it's important for you to know that mountain biking activities contain numerous inherent risks that may result in personal injury, death or property damage. Your knowledge, decisions and actions contribute to your safety and that of others.

Follow these biking rules from the National Ski Areas Association to ensure maximum safety and enjoyment on the hill:

- STAY IN CONTROL.** You are responsible for avoiding objects and people.
 - KNOW YOUR LIMITS.** Ride within your ability. Start small and work your way up.
 - PROTECT YOURSELF.** Use an appropriate bike, helmet and protective equipment.
 - INSPECT AND MAINTAIN YOUR EQUIPMENT.** Know your components and their operation prior to riding.
 - BE LIFT SMART.** Know how to load, ride and unload safely. Ask if you need help.
 - INSPECT THE TRAILS AND FEATURES.** Conditions change constantly; plan and adjust your riding accordingly.
 - OBEY SIGNS AND WARNINGS.** Stay on marked trails only. Keep off closed trails and
 - BE VISIBLE.** Do not stop where you obstruct a trail, feature, landing or are not visible.
 - LOOK OUT FOR OTHERS.** Look both ways and yield when entering or crossing a road or trail. When overtaking, use caution and yield to those ahead.
 - COOPERATE.** If you're involved in or bear witness to an incident, identify yourself to staff.
 - NO PETS ON BIKE TRAILS.** Leashed pets allowed only on the gondola and hiking trails.
 - RIDE WITH FRIENDS.** Riding with a partner or group is strongly encouraged.
- features. Ride in the direction indicated. Cutting trails will result in loss of ticket/pass. Uphill traffic has the right of way on a two-way trail.

OBEY ALL ON-HILL SIGNAGE WHILE RIDING

NOTE: Class 1 pedal-assist eMTBs are allowed within the Mammoth Bike Park. Once outside of the park boundary, it is your responsibility to be aware of the rules and regulations of the Town of Mammoth Lakes and USFS.

FIRST AID & MECHANICAL ASSISTANCE

Call 760.934.0611. Patrol Staff are stationed at the Summit and Adventure Center, and Gondola Operators at McCoy Station are equipped with phones and radios to call for assistance if needed.

MAP TO PROGRESSION

DISCOVERY ZONE FOR BEGINNERS & BEYOND

If you're new to mountain biking, looking to work on a specific skill, or want a nice warm-up before hitting more technical terrain, this is your starting point. Dedicated to helping you progress, this area features shorter trails (half to three-quarter miles in length), and a beginner-friendly lift ride that lasts only 2 minutes and 40 seconds. It's ideal for quick practice laps that will leave you smiling.

- ADVENTURE & DISCOVERY TRAILS:** The two best beginner trails anywhere, featuring smooth surfaces and wide turns.
- EXPLORER:** Step up your game a bit with banked paver turns, a steeper grade and access to our Skills Park.
- SKILLS PARK:** Become comfortable with constructed features and work your way up from small drops to intermediate rainbow bridges.
- DISCOTECH:** Hit this gravity-fed pump trail to improve your bike-handling skills, and learn how to utilize your bike's suspension for added thrills.
