VENUE ADMINISTRATION FEE • \$400

All of our ceremony locations are governed by the U.S. Forest Service, and many are open to the public. Because of this, we do require a dedicated staff member to be present throughout your event. This staff member will be the person you work with to schedule and coordinate operational details of your rehearsal and wedding day, as well as direct nearby Mammoth guests who are not associated with your event.

SERVICES INCLUDED WITH YOUR WEDDING

INITIAL INQUIRY:

Our team can provide you with a site tour, venue and catering information, food and beverage planning, create an itemized cost estimate, group lodging pricing information at our various lodging properties, and any additional information regarding our services and activities to help your planning process go smoothly. A list of recommended vendors will also be provided.

PLANNING SERVICES:

- A detailed planning meeting with you, your fiancé, your Wedding Planner and/or anyone else directly involved with your event. This meeting can be in person or over the phone.
- Once details have been chosen, your wedding manager will provide you with a Banquet Event Order (BEO) outlining the catering and venue details for the event.
- A designed floor plan of your function space, which will allow you to provide seating arrangements.
- Create an operational timeline for the ceremony and reception.
- Coordinating with the banquet team for a seamless transition from setup to event service.
- Assistance in coordinating logistics with third-party vendors.
- Aid in planning additional activities provided at Mammoth Resorts.
- Reserve Mammoth Mountain's transportation options upon request.
- Provide information and planning assistance regarding venues (within our portfolio) for additional events, including rehearsal dinners, brunches and parties. Check with catering sales manager.

ON-SITE VENUE SERVICES:

- Execution and coordination of agreed timeline for the rehearsal, ceremony and reception, to ensure all major events occur when scheduled including grand entrance, first dance, parent dances, cake cutting, and more.
- Overseeing venue setup, contract fulfillment and assisting third-party vendors as needed.

WE ARE HERE TO HELP

We know that planning a wedding in our beautiful destination can initially seem daunting and we encourage you to rely on the experience of our team to help your celebration take shape.

Please confer with us prior to hiring vendors or planners as we may offer many overlapping services. We recommend our local skilled professionals because they are familiar with the unique Mammoth climate, which makes a huge difference in planning and executing a destination wedding. We are happy to discuss this with you and make recommendations based off your wedding vision and event plans.
