GOLDIE'S FIRST SNOW

Illustrated by Ron Noble

Woolly had another great summer at Mammoth this year!

But every fall, Woolly begins to dream of snow.

**This is a very special season for Woolly.
He has invited two new friends to live
with him at Mammoth!**

**Huck loves to surf and snowboard.
Goldie loves to fly!**

Goldie sees her first snow.

Draw your own snowflakes to
add to the snowstorm!

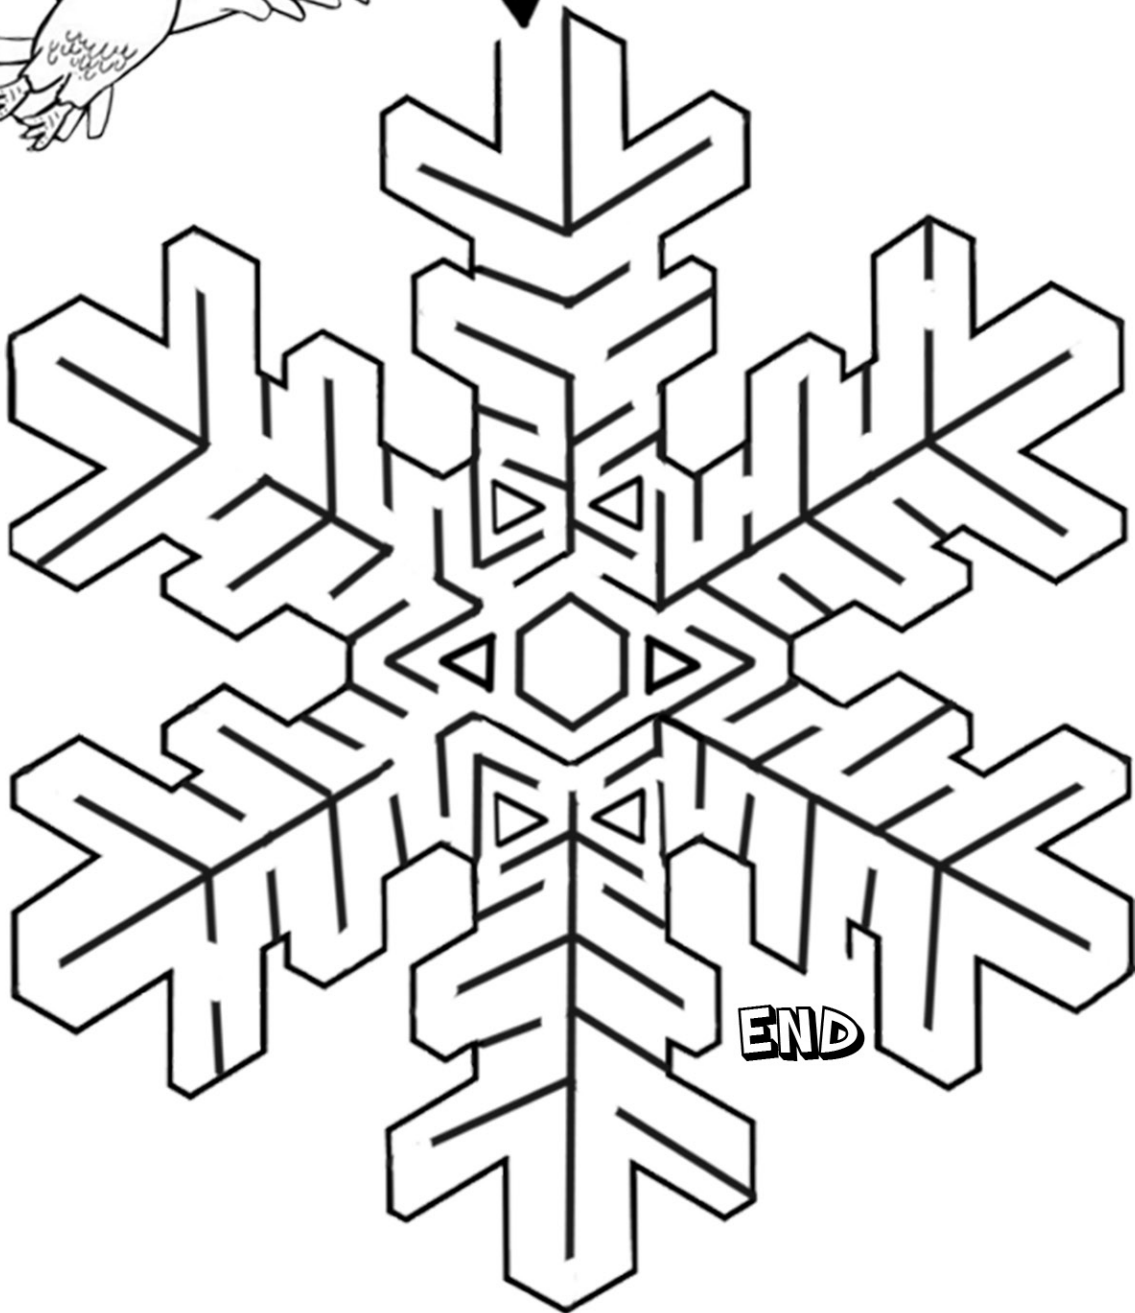

Woolly invites his friend Bucky from June Mountain, and all four friends enjoy a perfect blue bird powder day.

**Help Goldie find her way
through the snowflake maze.**
